**8" HD IPS Merchant-facing display,
4.3" Customer Display**

4G + WiFi + Bluetooth

**Integrated high-speed, thermal
printer with automatic paper cutting**

Li-Ion Battery, 2600mAh, 7.2V

Featuring the Hybrid SmartPOS E600 Android Terminal...

With the E600, portability doesn't mean sacrificing features. This solid, all-in-one terminal transforms the shopping experience by allowing customers purchase over the counter, in close interaction with retail staff.

The hand held E600 features a large yet compact display, fast printer and payment acceptance module, allowing any type of transaction to be conducted while on the move.

The E600 is ideal for a wide range of merchants, including fashion and hospitality to add an element of mobility within a store or restaurant environment, food delivery or courier businesses, and street stalls or festival booths.

This terminal comes coupled with Take Charge's revolutionary processing solutions and more.
