TAKE*CHARGE*™

E600
SmartPOS
Hybrid Terminal

MAIN FEATURES

Powered by Android

8" HD IPS Merchant-facing display, 4.3" Customer Display

4G + WiFi + Bluetooth

Integrated high-speed, thermal printer with automatic paper cutting

Li-Ion Battery, 2600mAh, 7.2V

Featuring the Hybrid SmartPOS E600 Android Terminal…

With the E600, portability doesn't mean sacrificing features. This solid, all-in-one terminal transforms the shopping experience by allowing customers purchase over the counter, in close interaction with retail staff.

The hand held E600 features a large yet compact display, fast printer and payment acceptance module, allowing any type of transaction to be conducted while on the move.

The E600 is ideal for a wide range of merchants, including fashion and hospitality to add an element of mobility within a store or restaurant environment, food delivery or courier businesses, and street stalls or festival booths.
This terminal comes coupled with Take Charge's revolutionary processing solutions and more.
