### Featuring the Countertop SmartPOS E700 Android Terminal...

The E700 is a fully functional SmartPOS device with integrated payment, in an ergonomic form factor. The E700, powered by Android OS, coupled with the large (12.5"), all-perspective IPS touchscreen, easily handles any POS application.

The fully integrated, consumer-facing, PCI PTS certified payment module and camera support all electronic payment types. The low-profile design and different communication options makes the E700 flexible enough to fit into any retail countertop.

This terminal comes coupled with Take Charge's revolutionary processing solutions and more.
